

Please Join us!

WHERE? The Masonic Center, 1711 Sunset Cliffs Blvd., Ocean Beach

WHEN? Wednesday, April 25, 2007, from 8 pm – 9:30 pm (an extension of the monthly Ocean Beach Town Council meeting)

WHY? Zero waste offers a way to recapture the vigor of our air, water and land, maximizing resources, creating jobs and stimulating the economy in the process.

We're gearing up for our free Zero Waste Workshop on May 19 at Point Loma Nazarene University.

We'd like to show the Ocean Beach Town Council the magnitude of community support for forward-thinking resource management. So please attend!

Most importantly, Ocean Beach Zero Waste strategy, planning and implementation depends on your involvement. We need your input and participation. Thanks in advance for caring!
